It assumes no previous knowledge of the plays, nor of their historical or cultural background. Above all, the series presents each play for its own sake, as drama for the theatre. The key features of NEW SWAN SHAKESPEARE are- an introduction to the play which genuinely introduces it, covering plot, structure, the main characters, and language difficulties- straightforward support material, written in carefully controlled language to ensure that it can be easily understood- useful scene summaries- easy-to-understand notes, positioned opposite the text, providing clear interpretations and paraphrases- illustrations which assist in explaining contemporary references- specimen examination questions and draft answers, ideal for students preparing for public examinations 215 pp. Englisch.
