

Carbon Dharma: The Occupation of Butterflies

By Sailesh Rao

Createspace Independent Publishing Platform, United States, 2011. Paperback. Book Condition: New. Niharika Desiraju (illustrator). 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Using the metaphor of metamorphosis, Carbon Dharma calls for our occupation of the Earth as Butterflies, to undo the damage done by the human species in its present Caterpillar stage of existence. It diagnoses the reasons for our Caterpillar stage of existence as the misinterpretation of the fundamental principles that underlie our democracy and our industrial civilization. It posits that the solution to our predicament was already revealed in the first chapter of the Rig Veda, one of the oldest and foundational texts of human religion, and that we are doing the exact opposite of the Rig Veda s prescription in our modern consumer societies, following false Freudian assertions. The book is intended for the youth of this world who are facing some of the gravest challenges ever faced by any generation of human beings. It is also intended for all those who love the youth of this world, for the youth cannot solve these challenges on their own while their parents, grandparents, uncles and aunts continue to pile on more grave...
