SIMON SCHUSTER, United States, 1995. Paperback. Book Condition: New. Original ed.. 208 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.This extraordinarily accomplished first novel will put the name Mark Coovelis firmly on the literary map. Echoing the atmosphere and powerful noir style of James M. Cain, Gloria tells the absolutely riveting story of a man driven to penetrate the lies and secrets surrounding his beloved younger sister's death. And, in a spirit of modernism reminiscent of the work of Paul Auster, Mr. Coovelis reminds us that, in investigating the wrongdoing of others, we're often lured back into the treachery of our own hearts. Marvin Stone's sister had a history just in her names, from Sissy to Liz to Lisbeth. But Gloria - the incarnation she chose the day she left her home, husband and son behind - is the one that inhabits his thoughts. It was beautiful Gloria who fled to Oakland calmly and coolly; who checked groceries to afford her stolen independence; who sought a tan to match the guise of her bleached-out hair; and who tried to resist the determined advances of Tunney, a smooth, carefree man with a penchant for wandering blondes. The truth - about Gloria's death, and her killer's accusation that she herself had a hand in other murders - lies far from the steep, dry ditch in the Bay Area hills where she was found. But for Stone to venture into the harsh glare of the media that feeds on her sensational death would mean stumbling too recklessly out of his quiet, safe existence. Cocooned in the nocturnal routine of his Berkeley restaurant, he has put distance between the present and the past with new friends, late nights, and a tough divorce. But...
